

## APPLICATION GUIDE, JULY 2021

### EPISODES 7: GOOD ENOUGH LINE

How often in life do you spend more time, energy, and money than needed as you strive for perfection? Tune in to discover the counterintuitive freedom that comes from the principle of “Good Enough”. Learn why perfection is not the goal and how to determine what success looks like.

### GOOD ENOUGH LINE

---

- Excellence and perfection are not synonymous.
  - Excellence is using the minimal amount of time, effort, and money to produce the highest return.
  - Perfection is when you continue to put more time, effort, and money into something yet getting nothing more in return.

### PERSONAL APPLICATION:

- Are you pursuing perfection in your life and need to celebrate excellence?
- Choose an area in your life and find the good enough line. Here are two questions to help guide you:
  1. Who is my audience?
  2. What do they determine to be good enough?
